SUMMARY

Web developer with 3 years of experience, mostly in Vue and TypeScript. I built and launched HeadBook, a social media web app, end to end.

EXPERIENCE

Web Developer, Pixelhof Digital Agency

2023 – present

- Built HeadBook end to end: a social media web app where people connect with their friends and see what they're up to. It launched in September 2026.
- Frontend in Vue 3 and TypeScript, backend in Python (FastAPI).
- Wrote component tests with Vitest.

EDUCATION

BSc Media Informatics, Berlin University of Applied Sciences, 2023

SKILLS

Vue 3, TypeScript, Python, FastAPI, Vitest, Git
